

**HAINES-AARONSBURG
MUNICIPAL AUTHORITY**

PWSID: 4140108

Water Restrictions

Effective immediately all Haines-Aaronsburg Municipal Authority customers are instructed to eliminate all nonessential uses of water and reduce their water usage by 15 to 20 % until further notice.

The following actions are being taken to maintain a sufficient supply of drinking water for our customers:

- A system-wide leak detection survey of our system is being conducted in an effort to locate and repair leaks.
- Customers are directed to use water only for essential needs. Examples: Cooking, Bathing, Laundry, etc.
- Any leaks in your plumbing are to be repaired immediately.
- Do not use water to wash vehicles, houses or any other exterior use including refilling swimming pools.

During our leak detection efforts we may close/open service valves to your property, so: **“Please check the water in your house for discoloration prior to doing laundry, dishes, cooking, etc.**

Call 349-5087, if you have questions or call 349-8776 to report a possible leak.
